The Data Controller does not fall within the hypotheses provided for by Art. 37 p. 1, therefore a Data Protection Officer (DPO) has not been appointed.

As part of the processing in question, the Data Controller may become aware of data of particular categories such as: state of health, membership of trade unions, religious beliefs, racial or ethnic origins. In this eventuality, only those strictly pertinent to the obligations, tasks or purposes described above will be treated and in full compliance with the indications of the Regulations and the laws in force.

The methods of processing your personal data are:

- Manual processing by means of paper archives and by electronic processors;
- Data collection through forms, coupons and questionnaires, both paper and digital;
- Entrusting processing operations to third parties;
- Processing of data collected by third parties.

Each treatment takes place through the adoption of adequate security measures for the protection of your personal data, as prescribed by the Regulation.

There are no automated decision-making processes, including profiling, which concern the processing of your data.

Your data are processed by personnel expressly authorized by the owner, of the following categories:

- Administration Office;

Based on the terms of the contract, the legal obligations and the aforementioned purposes, your data may be disclosed to third parties (recipients) who will become responsible for it, on the basis of a regular contract:
